

## Legal & Compliance Officer (50% - 80%)

We - SG Equipment Finance Schweiz AG - are part of the Société Générale Group and belong to the global division Société Générale Equipment Finance, one of the leading providers of capital goods financing in the areas of transport, industry, construction, agriculture, IT and medical technology.

We are looking for a motivated and dynamic Legal & Compliance Officer to support our small team in Zurich or Lausanne.

### Tasks:

- Dealing with legal issues, especially in the leasing area
- Contract analysis and negotiation
- Cooperation and communication with contractual partners, as well as supervisory authorities and auditors
- Training of employees on the regulations applicable in their areas
- Support in checking customer and contract files and conducting spot checks in relation to compliance and the Money Laundering Act (AMLA)
- Ensuring compliance with legal and group regulations
- Participation in the creation and adjustment of internal regulations, standard operating procedures, and internal processes
- Implementation of regular internal controls in the areas of legal and compliance
- Reporting in the areas of legal and compliance

### Your profile:

- Law degree from a Swiss university
- Preferably first experience in the financial services industry
- Fluent German and very good knowledge of English, good knowledge of French is an advantage
- Diplomatic team player, assertive and excellent communication skills
- Entrepreneurial thinking and flair for business
- Professional, independent, efficient, and solution-oriented

**Place of work:** Zurich/Lausanne, hybrid

We look forward to receiving your application:

Anita Kunath, Head of Legal and Compliance
